

We can supply **low cost telecoms** services for Telguard installations and households.

i MULTI-USER TARIFF

- O2 – 24 month contract
- Unlimited anytime UK calls to standard UK landlines starting 01, 02, 03 and standard UK mobiles
- Unlimited texts (for SMS programming)
- 1GB Data
- £27.42 per month + VAT

Our multi-user tariff has been specifically designed for sites who want to avoid a fluctuating bill. With unlimited calls, you can feel rest assured the ongoing charges will be fixed, no matter how many visitors surprise you! Safe in the knowledge you are receiving a first class service from Commtel Ltd, means you can keep all your entry system requirements through a single channel.

Why not upgrade your existing SIM card to a Telguard Telecom tariff?
